

Better Together VCS Forum

The Better Together Forum brings together senior representatives of larger or specialist VCS organisations with a countywide remit to share best practice and look for new opportunities to collaborate.

The forum meets bi-monthly and is chaired by the VCS representative on the County Durham Partnership Board, Kate Burrows, Executive Director of Durham Community Action. Support for the forum is provided by Vicky Prendergast at Durham County Council (email vicky.prendergast@durham.gov.uk)
