

Durham Community Action works with and for communities across County Durham.

We believe County Durham is a better place for having thriving community organisations.

We run DCA well, so we can support community organisations by:

- Providing expertise and advice which is tailored to needs and circumstances
- Supporting and nurturing new community initiatives
- Enabling good volunteering practice and opportunities
- Representing and providing a voice for the community and voluntary sector in County Durham.

We champion volunteering across all sectors in the County, and support people who are new to volunteering to find the right opportunities for them.</p> <p>Providing a Voice: We apply our knowledge and expertise within the VCS into sector led networks, and multi-agency partnerships in County Durham, the north east and nationally. We achieve this, through effective leadership, and representing sector interests and the issues which affect communities in County Durham. Through championing the interests of our local VCS, we can influence and help shape public sector policy, and the design and commissioning of local services.</p>
