Third Sector Trends in the North 2019

We would like to invite you to take part in this 10 year study of the voluntary and community sector which is now running right across the North of England. Using the findings, Durham University will build a picture of how organisations and groups work, how they get their resources and how they are planning to work in the future. Read [more](#)

Each month we are going to focus on a specific topic to help with the running of your organisation.

This month we are focusing on **Insurance**

Did you know....that charity trustees have a legal duty to protect their charity's assets and resources?
